Artificial Turf Supply

Certified Pet-Friendly And Safe For The Environment

"OptiFILL+ was the obvious choice for our family because our two dogs and toddler are always playing out in the yard. It's so easy to clean - perfect for us!"

- Homeowner

Non-toxic and odor-free, OptiFILL+ is designed to enhance your turf's durability and provide a safe and fun environment for your furry friends, year-round. OptiFILL+ microbial coating prevents growth of bacteria, mildew and mold that can cause stains, odors and product deterioration.

INNOVATIVE INFILL SOLUTION

- OptiFILL+ is UV and weathering resistant to keep your turf looking fresh no matter the conditions. With optimized draining technology, OptiFILL+ improves the drainage of your turf through tough weather conditions.

HYGIENIC AND LOW MAINTENANCE

- Antimicrobial protection prevents the growth of bacteria, fungi and mold, keeping your turf clean and disinfected. Free of all Phthalates, Lead, Heavy Metals, OptiFILL+ is both non-flammable and non-toxic.

DURABLE + REUSABLE

- OptiFILL+'s innovative coating is designed to enhance durability to ensure longevity. When your turf eventually needs to be replaced, OptiFILL+ has the potential to be reused.

RESISTANT TO URINE STAIN AND DISCOLORATION

- OptiFILL+ outperformed competitors in ammonia reduction properties and locks out moisture from pet waste, preventing stains and product deterioration.
