

Artificial Turf Supply

ADA WHEELCHAIR ACCESSIBILITY CERTIFICATE

All Artificial Turf Supply artificial grass models are built with the highest quality components in the world and are guaranteed to meet or exceed ASTM Standards and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities for Wheelchair Accessibility of Surface Systems Under and Around Playground Equipment.

Our artificial turf yarns and backing undergo stringent testing to ensure safety. The following industry standard test has determined Artificial Turf Supply's artificial grass products meet or exceed both the straight line and turning propulsion requirements.

TEST METHODS

ASTM F1951-99:

Standard Specification for Determination of Accessibility of Surface Systems Under and Around Playground Equipment

Artificial Turf Supply

Tests were conducted by Testing Services Inc., an independent certified laboratory. TSi's laboratory is accredited by the US Dept. of Commerce, National Institute of Standards and Technology: ISO/IEC 17025:2005, code # is NVLAP 100108-0. TSi is a certified independent testing laboratory by the Synthetic Turf Council. Tests were conducted by Analytical Industrial Research Laboratories, Inc., an independent certified laboratory. AIRL's laboratory is accredited by the National Institute of Standards and Technology: ISO/IEC 17025:2005, PJLA-76332.
